

08.06.2016

Walgett Multi-purpose service (MPS) is open, we have Visiting Medical Officer coverage 24 hours a day 7 days a week.

The MPS also have Critical care advisory service capability for all these hours.

As such it would be our pleasure to accept care of all Walgett Aboriginal Medical Service clients' Health care needs after hours.

It is my hope that we continue to work collaboratively for the good of the community into the foreseeable future.

Kevin Behm HSM

Walgett MPS
