

# SES Thank you BBQ

17.11.2022

As a gesture of thanks, WAMS provided a BBQ lunch to SES (which included our WAMS Transport Team Drivers, Richard Sharpley and Arthur Murray), Surf Lifesaving and Marine Rescue crews who have been in Walgett assisting with the current flood event.

Without the tireless hours of work put in by these crews, particularly the local men and women, many people would not have received the assistance they needed.

THANK YOU!!!

A Thank You card was given to the CEO and WAMS staff to say thank you for WAMS support over the flood event period.

WAMS Public Health Worker, Bruce Moore, Aboriginal Health Worker, Markell Trindall and our Healthy for Life Coordinator, Rhiannon Peoples hosted the BBQ which was well received by all and lifted morale amongst the group.
