History: This message has been forwarded.

Dear All,

As of today ,01/09/14, it will be necessary for the Application for spectacles form to indicate just what type of Centrelink benefit the applicant tells you they are receiving ; as a result the eye health worker (or somebody) will need to ask and to tick the appropriate box on the application form. Should it be different to those listed the word OTHER should be written in beneath the boxes.

At this time it is proposed that this requirement will apply until 31/12/14.

Any questions please phone me (anytime) on 0417 223 162

Best wishes,

Brian
