

Goonimoo Activity Packs

May - June 2020

In the wake of COVID-19 restrictions, Goonimoo playgroup closed their doors with advice from Government. Staff commenced planning to provide weekly activity packs that would be distributed out to Preschool aged children enrolled in the Goonimoo Program. This allowed Goonimoo Staff to continue to support families and children by providing families each week with activities and information that they can do at home together.

During Reconciliation Week, painting activities were included in the packs to share the dreamtime story - the Emu 'Dhinawan' in the sky, which allowed the children to explore the different ways they could paint.

Since the commencement of the activity packs, they received 6 more requests for children to be added to the distribution list. With updated communication through social media and emails to families, Goonimoo staff have received requests from families to obtain the activity packs to do at home.
