

August 2020

WAMS goal is to provide continued support to families and children. By providing families each week with activities and information that they can do at home together.

For the month of August 2020 At home learning packs provided a bulk of Art and Craft resources that reflected National Aboriginal and Torres Strait Islanders Children's Day, Dental week (Toothbrushes and toothpaste provided by WAMS dental) and Father's Day.

Participants:

Children (ages between 2.5yrs – 5yrs)

A Total of 48 packs were posted

Carinda Playgroup Children: 11 children

Walgett Playgroup Children: 19

Collarenebri Playgroup Children: 18

To meet Goonimoo's Funding KPIs and outcomes of assisting families with activities to role model Play, focusing on School readiness as well as promoting activities for parents/carers and children to engage together to promote positive nurturing relationships.

To continue to advocate the importance of safety through the Child Injury Prevention Program. Focus on topics that relate to the home as planned from the yarning circles. Present this in a way that provides parents with informative resources as well as fun activities to engage at home.
