

Carols by Candlelight 2019

COLLARENEBRI

7th DECEMBER

The Annual Carols by Candlelight held at Collarenebri offers an opportunity for members of the community to come together and sing or be a spectator at this pre-Christmas celebration.

The local Lions Club led this very special social gathering, resulting in over one hundred (100) residents attending the occasion.

Walgett Aboriginal Medical Service (WAMS) Limited sponsored this very significant event for a small country town; in the throes of drought, extreme heat conditions and a downturn of income for the local businesses.

WAMS donated prizes for a chocolate 'wheel' as well as a raffle.

For the wheel, WAMS donated four free spins of the wheel.

The raffles consisted of a half a leg of ham and a chicken to the value of \$50 in the form of vouchers from the local Butchery.

The raffle tickets were handed out to members of the community as they received a battery operated candle, a sausage sandwich and a bottle of water

They also donated three x \$100 vouchers, consisting of one voucher each from the local Pharmacy the Butcher and the local Supermarket.

For this raffle, tickets were sold at \$2 each. Monies raised was donated to the local Lions Club.
