

# WAMS

## lend a helping hand!

Staff from WAMS delivered free supplies of hand sanitiser, gloves and face masks to the Walgett community.

It was a timely reminder that Covid is still prevalent in society and that the use of these items will help reduce the spread and keep the community safe.

Over 60 bags were delivered to general households, who were running low on supplies.

**Deliveries were also made to the PCYC, Fire Station, Police, Dharriwaa Elders Group and tourists.**

**We need to be vigilant, maintain social distancing and good hand hygiene, to overcome this pandemic, but these items will go a long way to lessen the impact in our community.**
