**What improvements could we make, based on your feedback.**

**Signature .....**

**Date.....**

All complaints must be submitted in writing. Where reasonable, the preliminary assessment should be conducted within 20 working days of lodging the complaint, and a written statement of the outcome of the preliminary assessment will then be provided. If further investigation is required, this should be conducted within 30 days of the preliminary assessment, for conclusion of the investigation. If there are delays in the timeframes above, WAMS will advise all parties of the reasons for the delay.

**Please submit your completed form to:
